EDUCATION

Course	College / University	Year
B.Tech (ECAM)	Netaji Subhas University of Technology	2026
Board (Class XII)	Air Force Golden Jubilee Institute	2022
Board (Class X)	Air Force Golden Jubilee Institute	2020

INTERNSHIP

- **Artificial Intelligence Intern | Infosys** **Oct 2025 - Dec 2025**
 - Worked on analyzing resumes using structured and unstructured data to extract key skills, roles, and experience patterns, enabling better candidate profiling.
 - Assisted in building a skill recommendation framework that mapped resume data to relevant upskilling paths and job role requirements using rule-based logic and data analysis.
 - Evaluated model outputs and recommendations by comparing them with job descriptions and industry skill standards, helping improve relevance and alignment of suggestions.

PROJECT

- **Speak 2 Database**
 - Developed an AI-powered chatbot that converts natural language queries into SQL.
 - Leveraging Google Gemini API, enabled real-time voice/text database search and visualization via Streamlit framework.
 - Integrated streamlit-webrtc for speech input and gTTS for text-to-speech, achieved 90%+ recognition accuracy and reduced average query response time by 40%.
- **Blinkit Retail Analysis | Python, SQL, Power BI**
 - Cleaned 85K+ transactions using Python (Pandas, NumPy) and uncovered sales patterns across 6 categories, 3 fat content types, and 45 regions with Matplotlib.
 - Executed SQL queries to track business-critical KPIs such as total and average sales, customer ratings, outlet performance, and category-wise contribution to GMV across 4 outlet types.
 - Developed an interactive Power BI dashboard to visualize category contributions, regional sales distribution, and operational trends, delivering a clear and actionable business narrative from raw transactional data

POSITIONS OF RESPONSIBILITY

- **Graphic Designer | IEEE** **Jan 2023 - Feb 2024**
 - Designed digital creatives and promotional materials for technical events, workshops, and conferences, ensuring visual consistency with IEEE branding guidelines
- **Operations Coordination Lead | Event Committee** **Mar 2024 - Apr 2025**
 - Managed end-to-end coordination for event logistics, registrations, and scheduling, ensuring smooth execution under tight timelines.

ACADEMIC ACHIEVEMENTS

- Participated in multiple national level hackathons, working on problem statements involving data analysis, solution design, and business-oriented decision-making.

OTHER INFORMATION

- **Technical Skills & Tools:** SQL, Excel, Python, Microsoft Power BI.
- **Non Technical Skills:** Business Strategy ,Problem Solving , Team Collaboration, User Research, Leadership.
